**CHABOT TO KEYNOTE AT BORDER SHERIFFS POSSE CONFERENCE
ON BORDER SECURITY**

ONTARIO MARRIOTT MAY 14 - 15 CHABOT SURGE - DAY 12

(INLAND EMPIRE, CA) – May 12th 2010 - 63rd Assembly Candidate, LT Commander(s) Paul Chabot's Campaign Surge to Victory continues to gain ground.

Paul Chabot, a national expert on border issues was asked to keynote at Sheriffs Posse Border Conference, at the Ontario Marriott, May 14th. Chabot has a strong background in law enforcement, border issues, drug cartels and government policy.

Los Angeles Sheriff Sergeant Rich Valdemar (ret) and conference facilitator stated, "Dr. Chabot is law enforcement's choice - hands down. We are excited he is participating in this important conference on border security." Valdemar is a national gang expert and often seen on a

number of televised programs.

Chabot will speak to the real issues affecting our border, including lack of political will, corruption, drugs and gangs.

Chabot stated, "As a resident of Rancho Cucamonga, one can see firsthand the problems that exist when local politicians turn a blind eye to illegal aliens on our street corners. Politicians are doing the same thing in Sacramento and Washington D.C. today. That collective cowardliness endangers our communities, our state and our nation. I support Arizona's strong stand and I will fight to do the same in California. For the safety of our youth, for the future of America, we must."

The Border Security Conference provides current de-classified intelligence from local and national experts on law enforcement issues that impact every American citizen.

The Border Security Conference will offer graphic, eye opening training on the following issues:

- Gangs
- An inside look at the drug wars
- Cartels
- Human trafficking
- Vulnerability of American youth
- Issues confronting law enforcement along the border
- Disconnect between border law enforcement and our federal government
- Ritual murders of women in Juarez , Mexico
- Occult worship of the cartels
- Mexican military incursions into the U.S.
- Kidnapping epidemic
- Alarming asylum crisis

Speakers include:

California Candidate for State Assembly, Dr. Paul Chabot, former White House Senior Advisor for Law Enforcement, Justice and Drug Control Programs

Sheriff Arvin West, chair of Texas Border Sheriffs' Coalition

Rusty Fleming, producer of Drug Wars: Silver or Lead
