CHABOT ENDORSED BY SBCPOA

(INLAND EMPIRE, CA) – May 26th 2010 - 3rd Assembly Candidate, LT Commander(s) Paul Chabot's Campaign Surge to Victory continues to gain ground.

Chabot Surge to Victory DAY 26

San Bernardino County Probation Officers Association (SBCPOA) Announces their endorsement of LT Commander (s) Paul Chabot for State Assembly. Chabot, the only candidate in this race who has worn a badge and knows what it's like to chase down a violent criminal, continues to increase his lead in support from public safety.

SBCPOA President John E. Tackett stated, *"On behalf of the San Bernardino County Probation Officer's Association I would like to acknowledge the strong representation candidate Paul Chabot will provide the 63rd District in the California State Assembly. Paul's dynamic*

and caring approach to the way he states the will of the people and not just the politics as usual bureaucracy, is the pure and fresh attitude needed in these extremely tough times. Paul definitely has the full support and endorsement of the San Bernardino County Probation Officer's Association."

Chabot stated, "It's an honor to continue to receive such outstanding support from men and women who protect our communities. Having served a reserve deputy sheriff for over 15-years, I personally worked side by side a number of the county's probation officers. They truly have a difficult job before them, and with limited resources, their jobs are becoming increasingly more dangerous. I will fight so that public safety has the tools and support they need to protect our citizens."

Chabot has received the largest base and variety of law enforcement and community safety support in this race, including the following organizations:

- California Police Chiefs Association
- California Narcotic Officers Association
- California Peace Officers Association
- Riverside Police Officers Association
- Riverside Sheriff's Association
- San Bernardino School Police Officers Association
- Los Angeles Professional Peace Officers Association
- Crime Victims United of California
- Save our Society from Drugs
