

Now is the time

Victory is near...

Like you, I've grown frustrated at our State government. Not only have they failed to solve our budget crisis, but their budget crisis continues to threaten our economic recovery.

I could write a flowery letter filled with promises like most of our politicians do, but I'm a veteran of the Iraq war and I have grown tired of the endless promises only to be disappointed in the end. Although it's a bit out of the ordinary, rather than my words, I would like you to read the words of those who have encouraged me to run.

"I'm very proud to support Paul Chabot for his candidacy to the 63rd Assembly District. He has exceptional intelligence and the most impressive record that is beyond approach. Paul is exactly the kind of leader we need in Sacramento. He is ethical, hard-working and full of passion. It's an honor to support Paul Chabot. I fully stand behind him."

-Susan Pepler, former Mayor of Redlands

"As the former Chief of Police for Rancho Cucamonga, and Assistant Sheriff, I know of no other candidate more qualified, able and dedicated to fight for us in Sacramento. LT Commander Paul Chabot is a battle proven veteran who deserves our full support, both spiritually, and financially. Please get behind Paul and send in your contribution today."

- Ron Bieberdorf, Rancho Cucamonga Chief of Police (ret).

I'm honored to have served my country as a Special Operations Intelligence Officer during the Iraq war, as a recipient of the White House Distinguished Service Award, and as a three-time Gubernatorial appointee to California's Parole Commission. I am especially proud that so many Inland Empire leaders are standing with me during this critical time in our state's history.

I face well-funded politicians as opponents and I am asking for your financial assistance. Our grassroots campaign is dependent on people like you.

If you believe that I represent the type of reform candidate you seek, please go to my [website](#) and contribute what you think is best for you and your family. I'll be honest, I've put in \$50,000 of my own money, which I saved up while serving in Iraq, because I'm willing to sacrifice that much to change Sacramento. The California of today is not the California I intended to raise my family. Our children, your children, deserve better than this. I will not let them down. A new day is coming - help me fight for them.

No matter if you can afford \$100, \$1,000, 3,900 (max per individual permitted by law), \$250, or \$25, I'll be honored to have you stand with me.

100% of your funds will go towards material to reach voters in the district. One of our most effective ways of doing so is through our 250-member volunteer base knocking on doors and speaking directly with the voters.

You can make a safe and secure online contribution directly at www.paulchabot.com or mail a check made out Paul Chabot for State Assembly.
